Subject : Invitation to 22nd AGROEXPO

Dear Administrator,

We would like to take this opportunity to introduce and invite you to 22nd AGROEXPO which is Türkiye's largest and among the four largest International Agriculture and Livestock Exhibition in Europe.

21st AGROEXPO was a huge success. We had 426 exhibitors, 1241 brands and 110.715 visitors from 112 countries. Business volume of billions of dollars was made between the buyer delegations, visitors, exhibitors and company executives in AGROEXPO B2B Meetings.

22nd AGROEXPO International Agriculture and Livestock Exhibition will be held between 2-6 February 2027 in Izmir city of Türkiye. For 2027, "AGROEXPO" is aiming to have 500 exhibitors and 200.000 visitors from 125 countries. All the participants have a chance to find Turkish distributor, trade partners and new opportunities in agriculture and livestock sectors.

The fair will be visited by farmers, domestic and foreign professionals and sector representatives from all regions of Türkiye and all around the world. 22nd AGROEXPO will host mainly agricultural mechanization and technologies, greenhouse and technologies, water and irrigation technologies, fertilizer, seeds, seedlings, saplings and horticulture, agricultural spraying machines, ecological agriculture, agro-informatics, livestock breeding, animal production machinery, tractors, sector-related institutions and organizations in FUAR İZMİR.

We are working very hard this year again for organizing an excellent fair as every year with the corporation and support of international agencies, associations, consultancies, embassies and consulates of foreign countries in our country. Your supports, promotions to invite sectoral companies as exhibitors & visitors and national pavilion participations from your country will bring great value to our fair. We will be honored to see your country's prestigious companies as an exhibitor and professional visitors in this exclusive organization where the agriculture world meets.

We are looking forward to sharing this global enthusiasm at Agroexpo 2027.

Best regards.
